SUMMARY OF THE REASONS FOR DECISION:

This video recording contains depictions of people undergoing extremely painful or humiliating acts at the hands of others. It also has two depictions of people urinating on others, against the will of the subject of the activity. These activities are presented within a sexual context, and for the sexual arousal of the viewer. The publication promotes and supports acts of torture and the infliction of extreme cruelty, and the use of urine and excrement in association with degrading and dehumanising conduct, and sexual conduct. Therefore, the publication is classified as:
Objectionable.
